FREQUENTLY ASKED QUESTIONS

Why should I use MyOSH Patient Portal?
MyOSH Patient Portal is available to all OSH patients allowing you to access your personal health information such as labs and radiology.

How do I sign up for MyOSH Patient Portal?
There are 3 ways to sign up for your MyOSH Patient Portal:
1. Self-enroll online at https://oklahomasurgicalhospital.com/patient-portal
2. Contact the OSH Enrollment Office at 918-477-5044.
3. Go to the hospital, and enroll in the Admissions office.

How soon can I see my test results?
Your visit information should be available immediately.

Can I access my child or parent's health information?
If you manage the health of a patient, talk to the patient's health care provider during the next visit to receive a personal invitation to Oklahoma Surgical Hospital. Self-enrollment is not currently available to caregivers or guardians.

Who else can access MyOSH Patient Portal?
Only you and anyone you choose to give your login credentials.

What if I need additional medical records?
Contact our Medical Records office at 918-477-5038 or visit oklahomasurgicalhospital.com/patients-visitors/ and click on the Medical Records tab. Scroll down to download our Release of Information Authorization Form. Print and complete the form and submit it along with a copy of a valid photo ID via your preferred method.
1. Email recordsrequest@oksurg.com
2. Fax it to the Medical Records office at 918-477-5050
3. Bring it to the Medical Records office, located in our first floor lobby
4. Mail it to Oklahoma Surgical Hospital, ATTN: Medical Records, 2408 E 81st St S, Suite 300, Tulsa OK 74137

What do I do if I forgot my password?
Please contact the Cerner Support Line at 877-621-8014.

Who do I contact if I need additional Patient Portal support?
During normal business hours, contact an Oklahoma Surgical Hospital Representative at 918-477-5021.
